SUBJECT: EOP – Request for Civil Rights Related Issues, Concerns, and Recommendations

TO: All Employees, NRCS

File Code: 230

REQUEST FOR ISSUES/CONCERNS: OCTOBER 28, 2005

The National Civil Rights Committee (NCRC) will hold their next meeting during the week of November 28, 2005 in Washington, D.C.

The NCRC is requesting that civil rights related issues, concerns, and recommendations be forwarded to me no later than October 28, 2005. This will help us to focus on issues, concerns, and recommendations having significant agency-wide impacts

Issues, concerns, and recommendations from the states must be reviewed and submitted through either the state civil rights committee or the State Conservationist. Those employees who are not supervised by a State Conservationist or State staff should submit their Civil Rights related issues and concerns directly to the National Civil Rights Committee, to the attention of Rita Yarbrough. Please submit them as a word document to the following email address: rita.yarbrough@nm.usda.gov

Please call any NCRC member if you have questions or need assistance. You can find contact information on the NCRC Website. To reach the Website you can link from my.NRCS or our NRCS web site to the Civil Rights Web page and then the National Civil Rights Committee Page (NCRC).
